Office Memorandum • UNITED STATES GOVERNMENT

TO : Comptroller

FROM : Finance Division

SUBJECT: Waiver of Confidential Funds Regulations

DATE: 6 October 1952

1. Reference is made to the memorandum for the Comptroller dated 12 September 1952, signed by the DCI, regarding certain projects under the direction of the Chief, [REDACTED] FI, a copy of which is attached.

25X1A

25X1A 2. The intent of this memorandum appears to be that the Chief, [REDACTED] may draw funds in the amounts listed therein, for each project (and for any additional sums under these projects, provided the projects are amended in accordance with established procedure to provide the additional funds) without explanation to Finance Division as to ultimate recipient and disposition thereof. This memorandum, it is believed, is a result of a memorandum written to the Assistant Director for [REDACTED] [REDACTED] dated 25 February 1952, questioning the type of accounting to be submitted under certain of these projects; and it is felt by the Finance Division that it is the intent to relieve the [REDACTED] [REDACTED] of compliance with the normal accounting procedures set forth in Confidential Funds Regulations with relation to the said projects. It is believed, however, that the Finance Division should still determine that the funds were properly disbursed. Such determination will be made, wherever possible, by evidence of receipt of funds or, in absence of such receipt, by the certification by the Chief, [REDACTED] that the funds were disbursed in accordance with the terms of the project. This matter has been discussed with the [REDACTED] and they are in agreement.
